

HARROW CAR CLUB SPRINT

**Sunday 19th September 2010
North Weald Airfield, Essex**

**A round of the Hangar 111 AEMC Sprint Championship
& 2010 Hamilton Classic ACSMC Sprint Challenge**

FOREWORD

Harrow Car Club has been organising events at North Weald airfield since the mid 1960's. Since then the technology and format of the event has moved on considerably, although the basic goal of the event has always remained the same: great value, enjoyable motorsport aimed at a club level.

After some changes in track layout, we are continuing with the layout we used some years back in which the paddock provides a clear view of the whole track.

Competitors are reminded that ALL cars must be fitted with a timing strut, as described in the MSA handbook, and numbers which are clearly legible from both sides of the vehicle. Without these, your vehicle will not receive a time.

The events we compete in cannot run without the efforts of our team of marshals. If you are unable to compete, why not help to make your sport possible by coming along and helping out.

Keith Warner is the Chief Marshal, and can be contacted by telephone on 01923 672917, or mrkwarner@hotmail.com

We look forward to seeing you on the day.
